

# Predator CX 300HP

12-Gallon, Dual-Pressure, Hot-Water

Tank Extractor

For extraordinary restorative hot-water carpet cleaning, the Predator CX 300HP is the perfect machine. The CX 300HP is the deluxe 12-gallon model of the NSS Predator line.

- Adjustable pressure (300 psi for sensation deep-nap cleaning; 75 psi for upholstery, drapes and stubborn areas) combines with incredible suction for maximum cleaning.
- Hot, high-pressure solution is blasted into the carpet for a deep cleaning that's 50 percent more effective than cold water extraction.
- The CX 300HP uses two circuits—one for the motors and one for the heater. It comes equipped with a Smart Circuit Locator to indicate when an additional electric circuit is located to power the Instant Heat Exchanger
- The internal heating element keeps 212°F (100°C) water on hand for the entire job. A special Bypass Switch is used when an additional circuit is not available.
- For repairs and maintenance the tip-back feature of the CX 300HP allows easy access to the 3-stage vacuum motor, positive-displacement pump, instant heat exchanger, and other internal components of the machine.

# PREDATOR CX 300HP Specifications

<b>Capacity</b>	
Solution Tank	12 gal (45 l)
Recovery Tank	12 gal (45 l)
<b>Solution Pump</b>	75 - 300 PSI Positive Displacement
<b>Vacuum Motor</b>	
Type	3-stage bypass
HP	2 HP
Closed Waterlift	140 in
<b>Heater</b>	Solid state, 212°F (100°C) with circuit locator
<b>Construction</b>	
Body	Rotocast polyethylene
Wheels	Two 8 in (20 cm) non-marking rubber
Casters	Two 3 in (7.7 cm)
<b>Hoses</b>	
Solution	15 ft (4.5 m) x 0.25 in (0.64 cm) diameter
Recovery	15 ft (4.5 m) x 1.25 in (3.8 cm) diameter
<b>Drain Valve</b>	Angled Gate type
<b>Float Shut-Off</b>	Ball type
<b>Cord</b>	Dual 25 ft (7.7 m) 12-3 SJT
<b>Sound Level</b>	75 dBA
<b>Dimensions</b>	
Height	34 in (87 cm)
Length	26 in (66 cm)
Width	17 in (43 cm)
<b>Weight</b>	
Machine	99 lbs (44.5 kg)
Shipping	115 lbs (52 kg)
<b>Shipping Class</b>	125
<b>Warranty</b>	One year limited
<b>Productivity</b>	500 sq ft per hour (46.5 sq m)

- 1 Clear view recovery tank bubble allows the operator to monitor the level of recovered solution.
- 2 A removable funnel reduces spillage when filling the solution tank.
- 3 Rotocast polyethylene body resists dents and corrosion, translating to years of dependable service.
- 4 Each machine comes with a built-in cord wrap for convenient storage of cords.
- 5 3-inch swivel casters allow amazing maneuverability during extraction.
- 6 Large, 8" non-marking back wheels make transportation on stairs easy.

Cleaning with hot water is 50% more efficient than cleaning with cold. The Predator CX 300HP allows better extraction cleaning while using less or even no chemicals that can be hazardous to the environment.

Use the 3-jet wand pictured above (#4097101) with the Predator CX 300HP. A 2-jet wand (#4097201) is also available. Order separately.

All Predator models are equipped with large, international-symbol rocker switches for easy machine operation.
